## Family Montessori School Society

Application Form (Please Print)

I have read the following and understand that:

1. This application **must** be submitted with a **non-refundable \$75 application fee** or it will not be processed. Submission of this application **does not** automatically admit the applicant to Family Montessori School Society (FMSS). The admission process includes an interview by the Guides with the applicant. Admission is offered based on the interview.
2. Should this application be accepted: **a)** All tuition fees are payable in advance (by post-dated cheques) at the time of registration. **b)** The student and his/her parents/ guardians agree to comply with the policies and regulations of FMSS including that the applicant **must be three years of age by December 31<sup>st</sup> in the year of enrollment and must be toilet trained by the start of the school year.**
3. The Montessori program is three years in duration. It is ideal for every child to complete the full three-year cycle to receive the full benefits of the program. However, in the unlikely event that there are more kindergarten applicants than spaces, the Guides in conjunction with the Principal, will review the applicants.
4. FMSS is a not-for-profit society and, upon acceptance, parents are **required to a)** render a service to the school, or **b)** pay a fee of one month's tuition in lieu of service.
5. Attending Parent Information Evenings is **strongly encouraged** to gain knowledge of the Montessori method and philosophy, and positive parenting techniques.
